## Report Seminar on Career Guidance

Pharmacy Programmes have always attracted students. Anyone from the field of biology and Mathematics who has an interest in healthcare sector, and wants to look for a career option apart from being a medical practitioner, can pursue a career in pharmacy. Pharmacy graduates take care of the manufacturing quality control of drugs and are involved with research and development to bring new novel therapeutics. These graduates are employed in varied sectors including healthcare, research, manufacturing, medical marketing, Pharmacovigilance etc.

Students of final year B. Pharmacy of our college, attended the Career guidance Program on Monday, 3rd Feb. 2020.

### OBJECTIVES:

- The objective of the session was to make successful pharmaceutical career.
- To understand the current market scenario with minimum competition and high salary.
- To choose the area that looks promising and attracts your interest to give your career the right push.

### Details of Session Conducted:

The program was inaugurated on 3<sup>rd</sup> Feb. 2020 with the lecture of Mr. Siddharth Patel, who focused on successful pharmaceutical career.

### RESPONSE OF STUDENTS:

Students actively participated and shared problems regarding further education. Overall response of students was very nice and students have mentioned the organization of such type of lectures in future.
