PREFACE

The NSS Unit at Matoshri College of Pharmacy has been trying to follow and nurture the ideology of NSS in a manner that ensures meaningful participation of all stakeholders. The activities carried out in Seven Day/Night Special NSS Camp- 2022-23 have served as an eye opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives, lectures and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. Matoshri College of Pharmacy has always had a strong vision and commitment toward the service of the society and its weaker sections. With deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Units worked on and off the campus with great enthusiasm and zeal.

There are some remarkable social service activities done by the unit. Plantation drives, blood donation camp, Old age care, generating awareness about waste segregation, installation of blue and green dustbins, cleaning of campus and surroundings by NSS volunteers, sensitization programs on sanitation, hygiene and cleanliness in adopted village Sigve gaon.

Our volunteers have learnt how to lead a life of dignity with positive mind set and contribute to the growth of Nation by one or the other way. The enthusiasm which our volunteers put their heart into the NSS initiatives, this learning experience is bound to become a movement in itself in the times to come.

We take this opportunity to express our gratitude to Dr. Gokul S. Talele, our worthy Principal, for her valuable inputs, guidance and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching and Non Teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities.

Seven Day/ Night NSS Special Camp

Special Camping forms an integral part of National Service Scheme. It has a special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with the community.

The primary objectives of the special camping programs are:

Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the prevailing situation of the community.

- ✓ To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- ✓ Encouraging the students and non-student to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- ✓ Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- ✓ Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, and encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

NSS Camp 2022-23- 1st to 7th February 2023

National Scheme Service (NSS) Special camp was organized by Matoshri College of Pharmacy from 1st February, 2023 to 7th February 2023 at Singve village, Taluka, Niphad, District, Ahmednagar.

NSS was established in 1969 with a vision of personality development of students through community service as well as development of rural areas in India. NSS unit has been introduced in college with an objective of self-discipline and selfless dedication towards community development.

NSS works mainly on the principle of NOT ME BUT YOU. The candidates who are involved in its activities work together with the people of the society for the benefit of the society, environmental protection, health and cleanliness, to help the people suffering at the time of emergency or natural calamity. NSS is an Indian government sponsored programme under the department of Youth Affairs and Sports, Government of India, which has been initiated primarily to inculcate the spirit of participation in nation building through social work among the students.
